21st April 1939.

Dear Tom,

At a meeting of the Branch Committee, it was felt that a public meeting of the branch should be held in Stepney at one of the Town Halls. It was felt by the branch that this would give some impetus to our work, in coming in to the open. The meeting will be held next month, and we will let you know the date so that you can arrange two or three speakers for us. We will probably get two local M.P.'s.

The branch felt that as I am not able to get to the meeting, and you will be discussing matters which the branch are interested in, that you might allow Mr. T. Quinn our treasurer, to attend in order that he could keep us informed. He is the bearer of this letter.

Would you let him know the time I should meet you at Euston on Sunday.

With best wishes,

Yours sincerely,

J. J. Jones.
